

29 JUL 1955

MEMORANDUM FOR: Legislative Counsel

SUBJECT: H.R. 5893 - An Act to Amend paragraph I (a), part I of Veterans Regulation Number 1 (a), as amended, to make its provisions applicable to active service on and after June 27, 1950, and prior to February 1, 1955, and for other purposes (including raising the dual compensation of retired military personnel employed as civilians from \$3000 to \$10,000).

1. In accordance with your request, the subject Act has been reviewed in this Office. It appears that the proposed Act would extend the current provisions of employment of retired military personnel in the Federal civil service to include veterans of the Korean campaign; and raise the allowable dual compensation of such employees from \$3000 to \$10,000.

2. It is considered that this bill, if enacted, would favorably affect employment practices in the Agency. It is recommended that it be supported.
